Amit Ram

Web Developer

✉ cloud15333@gmail.com   ☎ 9334135467   📍 Patna (Bihar)

Motivated and passionate aspiring web developer with a solid foundation in front-end and back-end web technologies. Eager to apply newly acquired skills in building responsive, user-friendly websites and web applications. Proficient in HTML5, CSS3, and JavaScript, with a growing understanding of modern libraries and frameworks like React and Node.js

Education

Kanpur Institute of Technology   *2022 To 2025*

- Bachelor of Computer Applications [BCA]

Projects

E-commerce web-App

- NexCart Online Shopping Web-App   Click me

- Developed a fully functional eCommerce website with dynamic features, including a shopping cart system where users can add and remove items

- Implemented front-end logic using HTML, CSS, and JavaScript to handle cart interactions

A library management system

- Library management system Click Me

- Created an intuitive web-based library management system allowing users to search and browse books by category.

- Implemented user-friendly navigation with organized sections for different genres like IT, CSE, Novels, and Fantasy

- Integrated front-end design with HTML, CSS, and JavaScript, enhancing user experience and search functionality
